

COASTLINES, CULTURE & the Cape's Finest Wines

MOST RECOMMENDED

To truly experience the Cape, you need five nights.

South Africans will tell you (and this itinerary proves it): five nights split between the city and wine country, with time to savor world-class coastlines, culture, and vineyards.

From Table Mountain's summit to cliffside drives, historic towns, and boutique wine valleys, each day unfolds as something new.

City Day | Peninsula Day | Stellenbosch Day | Franschhoek Day
