

TWO NIGHTS OF WONDER
at the
Smoke That Thunders

This immersive journey captures the wonder of Victoria Falls.

A guided walk reveals the roar and spray of one of the 7 Natural Wonders of the World, while dining on boats and atop gorges bring the drama.

Explore the breathtaking falls from the magnificent Zimbabwean viewpoints on a guided walking tour. At lunch, spot daredevil travelers leaping off Victoria Falls Bridge with a bungee cord. Conclude a wondrous day with elephants and hippos on a tranquil Zambezi River Dinner Cruise.

In the morning, bask in the morning sun again on the Zambezi River to bid goodbye to Zimbabwe.
